## MATERIAL SAFETY DATASHEET ACCORDING TO THE DIRECTIVE 1907/2006

### 1. Identification of the substance/preparation and of the company.

Trade name: WS/el  
Address of Supplier: Van Elburg B.V.  
Klipperweg 6 b  
8102 HR Raalte  
+31 572 35 2030  
+31 572 35 2031

Emergency telephone number: National Poisoning Information Center (NVIC) + 31 (0) 30 274 88 88

### 2. Hazards identification.

- Appearance: Oil and water emulsion.
- Contact with eyes: May cause irritation.
- Contact with skin: May cause redness and irritation.
- Inhalation: Vapors or aerosols may cause irritation of eyes, nose and respiratory tract.
- Ingestion: May cause gastro-intestinal disturbances.

### 3. Information on ingredients.

<u>Chemical Name</u>	<u>Concentration</u>	<u>R. Phrases</u>	<u>Symbols</u>
Isoparaffine			
Hydrocarbon	< 15 %	N.A.	N.A.
Acetic acid	< 5 %	R35	N.A.

### 4. First aid measures.

Contact with skin:

- Wash affected area with plenty of soap and water.
- Seek medical attention if irritation persists.

Contact with eyes:

- In case of contact with eyes, rinse immediately with plenty of soap and water and seek medical advice (S26).

Inhalation:

- Remove patient to fresh air.
- Seek medical attention if irritation persists.

Ingestion:

- Give 200-300 ml water to drink.
- Do not induce vomiting or risk of aspiration into the lungs, if aspiration is suspected obtain immediate medical attention.

### 5. Fire-fighting measures.

Flash point – N.A. – Non Flammable.

### 6. Accidental release measures.

Immediate actions:

- Contain spillage by any means possible.

Clean up actions:

- Soak up spilling rapidly using a cloth or paper towels.

## **7. Handling and storage.**

### Handling:

- Avoid prolonged or repeated skin contact.
- Avoid transfer to eyes.
- Do not inhale spray/mists (S23).

### Storage:

- Store in packaging supplied; no special requirements.

## **8. Exposure controls/personal protection.**

### Engineering controls:

- No special requirements.

### Precautionary measures:

- Ensure adequate ventilation.

### Personal protection:

- Wear protective gloves and eye shields if there is a danger of excessive skin contact or contact with eyes.

### Exposure limits:

- No exposure limits have been set for this substance.

## **9. Physical and chemical properties.**

- Appearance: Oil and water emulsion.
- pH approximately: 6
- Flash point – N.A. – Non Flammable.

## **10. Stability and reactivity.**

- Stable.
- Hazardous decomposition products: None.

## **11. Toxicological information.**

- Prolonged skin contact may result in defatting of the skin, leading to irritation and in some cases, dermatitis.
- May cause eye irritation.
- May cause gastro-intestinal disturbances.
- Risk of aspiration of liquid into the lungs on ingestion.
- Possible risk of respiration from the inhalation of very fine mist.

## **12. Ecological information.**

### Ecotoxicology:

- Contains cationic material which could be injurious to fish.

### Environmental fate:

- Emulsifies in water.

### Environmental hazard values:

- To the best of our knowledge, the properties of this material have not been fully evaluated.

## **13. Disposal considerations.**

Do not discharge into drains or the environment, dispose to an authorized waste collection point.

**14. Transport considerations.**

UN nr.: N.A.  
ADR/RID: N.A.

**15. Regulatory information.**

Classification and labeling:  
- No user labeling is required.

**16. Other information.**

The above product descriptions and the production and application recommendations correspond with our current knowledge. They are based on the experience values known to us concerning the products marketed by us. We cannot, however, provide warranty for their accuracy. For the reason, they do not represent assured characteristics in a legal sense. In view of the fact that the individual application conditions of the product are outside our influence, we cannot accept liability for damage in connection with the use of our product information and the application supplied by us, insofar as such damage was not caused through our fault. It is the responsibility of the user to observe all legal regulations and protective rights.
